GAMMIES MONTHLY

STATION YARD, CARSEVIEW ROAD, FORFAR DD8 3BT

June 2026 Issue 50

The sun is shining, the grass is growing, and it's prime time to upgrade your mower to keep the grass in check this Summer. Our team at Gammies have been busy attending and exhibiting at shows, getting out a range of new machinery and handling in-season repairs.

RHS 2026

This month, our sales team attended the 2026 Royal Highland Show, splitting their time between some of our manufacturers' stands, including Iseki, Kawasaki and Polaris.

Angus Show 2026

We returned to the Angus show this year and showcased a range of our machinery, from UTV's, ATVs, compact tractors to robotic mowers. Thank you to everyone who attended and stopped by for a chat!

Spotted at Thainestone

Our Area Sales Manager for Aberdeen, Sandy took to Thainestone during an auction to introduce himself to the area and have a chat with some of our new and returning customers in the Area.

Grass as green as the eye can see! With the season starting to brighten up, we have seen a range of machinery going out to handle the growing grass.
