

Bellrock Offshore Wind Farm

Wind Farm Development Area

Environmental Impact Assessment Report - Volume III

List of EIA Report Figures

Date: April 2026

Document Number: RHDV_BEL_CST_REP_0003

Revision Number: 1

Classification: Public

Revision History

Rev.	Prepared By	Checked By	Approved By	Date
1	Haskoning	ES	BMcG	01/04/2026

List of Figures

Chapter 1: Introduction

Figure 1.1: Bellrock Wind Farm Development Area

Chapter 4: Project Description

Figure 4.1: Bellrock Wind Farm Development Area Coordinates

Figure 4.2: Bellrock Offshore Transmission Development Area (OfTDA) Area of Search

Chapter 6: Marine Geology, Oceanography and Physical Processes

Figure 6.1: Marine Geology, Oceanography and Physical Processes Study Area

Figure 6.2: Bathymetry of the Bellrock Wind Farm Development Area

Figure 6.3: Shallow (Quaternary) Geology of the Bellrock Wind Farm Development Area

Figure 6.4: Examples of Sand Waves and Megaripples within the Bellrock Wind Farm Development Area

Figure 6.5: Seabed Sediments of the Bellrock Wind Farm Development Area

Figure 6.6: Peak Flow for the Mean Spring Tide and Tidal Ellipses across the Bellrock Wind Farm Development Area

Figure 6.7: Average Suspended Sediment Concentration across the Bellrock Wind Farm Development Area

Figure 6.8: Annex 1 Habitat Locations Relative to the Bellrock Wind Farm Development Area

Chapter 8: Fish and Shellfish Ecology

Figure 8.1: Fish and Shellfish Ecology Study Area and the Fish and Shellfish Northern North Sea Study Area

Figure 8.2: Spawning Grounds for Pelagic Species

Figure 8.3a: Spawning Grounds for Demersal Species

Figure 8.3b: Spawning Grounds for Demersal Species

Figure 8.3c: Spawning Grounds for Demersal Species

Figure 8.4: Spawning Grounds for Crustaceans (Nephrops)

Figure 8.5: Nursery Grounds for Pelagic Species

Figure 8.6a: Nursery Grounds for Demersal Species

Figure 8.6b: Nursery Grounds for Demersal Species

Figure 8.6c: Nursery Grounds for Demersal Species

Figure 8.7a: Nursery Grounds for Elasmobranch

Figure 8.7b: Nursery Grounds for Elasmobranch (Spurdog)

Figure 8.8: Nursery Grounds for Crustaceans (Nephrops)

Figure 8.9: Herring Spawning Habitat Preference Classifications using EMODnet Sediment Data (Folk Classifications) and Modelled Cumulative (SELCum) Piling Noise Impact Ranges (Temporary Threshold Shift based on Popper et al. (2014) Thresholds)

Figure 8.10: Potential Spawning Habitat Suitability Heatmap for Herring (based on Kyle-Henney et al., (2024) Methods) and Modelled Cumulative (SELCum) Piling Noise Impact Ranges (Temporary Threshold Shift based on Popper et al. (2014) Thresholds)

Figure 8.11: Sandeel Habitat Preference Classifications using EMODnet Sediment Data (Folk Classifications)

Figure 8.12: Predictions of Density (number per m²) of Sandeel (Marine Scotland, 2022 and Langton et al. 2021)

Figure 8.13: Potential Spawning Habitat Suitability Heatmap for Sandeel (based on Reach et al., (2014) Methods)

Figure 8.14: Fish and Shellfish Ecology Relevant Designated Sites in Relation to the Bellrock WFDA

Figure 8.15: Modelled Cumulative (SELCum) Piling Noise Impact Ranges (based on Popper et al. (2014) Thresholds)

Figure 8.16: Modelled Cumulative (SELCum) Piling Noise Impact Ranges for Concurrent Piling (based on Popper et al. (2014) Thresholds)

Figure 8.17: Other Projects/Plans Considered in the Cumulative Effects Assessment for Fish and Shellfish Ecology

Chapter 9: Marine Mammals

Figure 9.1: Contour Plots for Harbour Porpoise as a Result of Concurrent Installation of a Driven Pile at the NW Corner and E-Midpoint (3,000 kJ) of the Bellrock Wind Farm Development Area

Figure 9.2: Contour Plots for Dolphin Species as a Result of Concurrent Installation of a Driven Pile at the NW Corner and E-Midpoint (3,000 kJ) of the Bellrock Wind Farm Development Area

Figure 9.3: Contour Plots for Baleen Whales as a Result of Concurrent Installation of a Driven Pile at the NW Corner and E-Midpoint (3,000 kJ) of the Bellrock Wind Farm Development Area

Figure 9.4: Contour Plots for Seals as a Result of Concurrent Installation of a Driven Pile at the NW Corner and E-Midpoint (3,000 kJ) of the Bellrock Wind Farm Development Area

Chapter 11: Commercial Fisheries

Figure 11.1: Bellrock Wind Farm Development Area (WFDA) Commercial Fisheries Study Areas Indicating Nephrops Functional Units and Suitable Habitats for Nephrops

Figure 11.2: Bellrock Wind Farm Development Area (WFDA) Commercial Fisheries Cumulative Study Area

Figure 11.3: Bellrock Wind Farm Development Area (WFDA) Commercial Fisheries Cumulative Projects

Figure 11.4: Demersal Otter Trawl Activity Within the Commercial Fisheries CEA Study Area

Chapter 12: Shipping and Navigation

Figure 12.1: Shipping and Navigation Study Area

Figure 12.2: Overview of Key Navigational Features

Figure 12.3: 14-Day Vessel Traffic Survey Data by Vessel Type (Summer 2024)

Figure 12.4: 14-Day AIS Vessel Traffic Data by Vessel Type (Winter 2024)

Figure 12.5: Main Commercial Routes – Mean Route Positions and 90th Percentile Route Width

Figure 12.6: Cumulative Developments within 50 nm of Bellrock WFDA

Chapter 13: Aviation and Radar

Figure 13.1: Bellrock Wind Farm Development Area Aviation and Radar Study Area

Figure 13.2: Remote Radar Head (RRH) Buchan Radar Line of Sight (RLoS)

Figure 13.3: NATS Perwinnes Radar Line of Sight (RLoS)

Chapter 14: Aviation and Radar

Figure 14.1: Marine Infrastructure and Other Users Study Area

Figure 14.2: Existing and Proposed Offshore Wind Farm Developments

Figure 14.3: Oil and Gas Infrastructure Within the Marine Infrastructure and Other Users Study Area

Figure 14.4: Subsea Cables

Chapter 15: Archaeology and Cultural Heritage

Figure 15.1: Marine Archaeology and Cultural Heritage Study Area

Figure 15.2a: Seabed Features (All)

Figure 15.2b: Seabed Features (Low Archaeological Potential)

Figure 15.2c: Seabed Features (Medium Archaeological Potential)

Figure 15.2d: Seabed Features (High Archaeological Potential)

Figure 15.3: Magnetic Anomalies

Figure 15.4: United Kingdom Hydrographic Office Records & Historic Environment Scotland Canmore

Figure 15.5: Archaeological Exclusion Zones

Chapter 18: Climate Change Risk

Figure 18.1: Grid Cells Used for UKCP18 Land-based Climate Change Projection Data

Figure 18.2: Grid Cells Used for UKCP18 Marine Climate Change Projection Data
