

Household Bulk Waste Service – Items for collection

The following list includes items that will be collected as part of the Association's bulk waste uplift service.

Items must be presented as per the requirements of this list; otherwise we reserve the right not to collect them.

Any textile items must be kept dry for collection. If the items become waterlogged we may not be able to uplift them.

Food waste from fridges and freezers must be removed prior to placing the appliances out for collection.
