1. Welcome and introductions

A warm welcome was given and the floor handed over to the resident.

2. Questions for tonight

2.1 What is happening with the old Police Station?

Tracey explained that NGHA have put a bid in to purchase this with a view to building homes similar to those at 1 Jane Place. Tracey will find out if there is any progress with our offer and get back to resident.

2.2 What is the bulk uplift day for Spring Wynd as it is not on the schedule?

Tracey advised it is likely to be the same as Old Rutherglen Road, but she will find out and update the information and get back to resident. Susan will pass on contact details.

3. Communities information

Resident is on mailing list so already receives community information, however Susan gave info on the Gorbals Fair which will be on Saturday 6th June.

We thanked resident for joining and the meeting ended.
