Garden Competition reminder: Closing Date

Friday 18th July

Welcome to the Summer Edition of AHA News and Views!

As the sunshine brightens our days, we're delighted to bring you the latest updates and opportunities in Tenant Participation. Whether you're getting involved in your community or simply enjoying the warmer weather, there's something for everyone in this issue.

🌻 Don't forget! There's still time to enter our popular Garden Competition. If you or a neighbour has a garden you're proud of, we'd love to see it! Email your photos to CSA@aha.org.uk or call us on 0345 177 2244 to take part.

Get Creative with Upcycling – We Want to Hear from You!

Our Tenant Participation Team is continually seeking ways to support tenants beyond providing housing.

In July, we will participate in a hands-on workshop that brings people together.

We're excited to share that our upcoming painting and upcycling session (in partnership with Tayside Upcycling & Craft Centre) is now fully booked – thank you to everyone who signed up!

But don't worry if you missed out – we're exploring the idea of running a similar DIY workshop in Angus, and we'd love to hear from you.

- 👉 Would you be interested in learning new upcycling or DIY skills?
- 👉 Do you have skills you'd like to share with others in your community?

If so, we'd love to have you involved! Get in touch with the Tenant Participation Team to register your interest or find out more.

Rate Your Estate

Recently, some of our tenants joined us on walkabouts to share their thoughts and ideas about their neighbourhoods. It was a great opportunity to connect and hear what matters most to you.

Green Thumbs Wanted - Help brighten up Whitecraig Loan

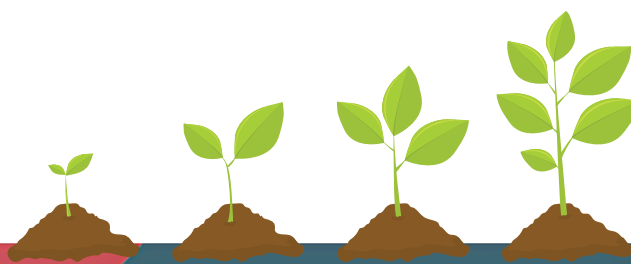

Get Involved at Whitecraig Loan Planters!

We're looking for a few helping hands to support the community planters at Whitecraig Loan in Whitfield. One of our fantastic volunteers has been busy weeding, cutting the grass, and planting—and the potatoes are coming along nicely, nearly ready for picking!

Thanks to a kind donation from one of our tenants, we've got some new seeds to plant soon. If you'd like to lend a hand or even use the planters to grow your vegetables or flowers, we'd love to see you.

We're usually there on Wednesday afternoons from around 1 pm, but if that time doesn't suit, feel free to come along whenever works for you. The planters are there for everyone to enjoy—so whether you're a seasoned gardener or just fancy giving it a go, you're very welcome!

HOW TO GET IN TOUCH?

We want to keep you informed, engaged and connected. If you have an idea for a good AHA news story or tips for your neighbours or would like to suggest an improvement, simply contact the TP Team.

We'd love our tenants to get involved in AHA News & Views, if you are interested in contributing to the E-Newsletter; email the TP team or phone the office to speak to a team member.
