“The Errol Showground team have been absolutely fantastic. It’s the first time we’ve ever done this, and the Errol Showground team helped us get everything in place. We’ve been super impressed; the size of the location has been great.”

## The Market Green

The Market Green is our liveliest space in the warmer months. It's home to our outdoor carboot (and sometimes Funfair attractions!) every Sunday, bustling with bargains and customers enjoying the sunshine.

We host our quarterly Errol Farmers Market here, which transforms the space into a vibrant hub of the best of local produce.

This space has four picnic benches that are free to be enjoyed by the public.
