About McClure Solicitors

McClure Solicitors has been providing well informed advice since the firm was founded in 1853. Today it specialises in asset protection, estate planning and inheritance tax planning, helping clients across Great Britain to protect their assets and pass them on efficiently. It began many years ago as a small firm in the West of Scotland but has grown to be a national company with offices throughout England, Scotland and Wales. Its Directors are dual qualified in both English and Scots Law. New clients are flocking to McClure on a regular basis to take advantage of its fairly unique services. Indeed over 600 new clients join it each month.

McClure continually strives to ensure that its service matches each client's expectations.

McClure Solicitors is pleased to provide **free** Wills for charity.

Why do I need a Will?

You already know that every adult should have a Will. Without a Will the law decides who inherits. With a Will you decide. With no Will it will usually take longer and cost more to wind up your estate.

Why should I do it now?

None of us knows what is around the corner. If you leave it until you need it, it will be too late. So let's get it done.

Why should I use McClure?

There are three good reasons:

1. They have been preparing Wills since 1853 so they are good at it. They prepare thousands per annum so you are in good hands.
2. A standard Will only states who is to benefit when you die. Their "Estate Planning Wills" ensure that your estate finishes up where you want it. Quite a difference.
3. At present McClure will prepare your Will free of charge. Just consider a donation for **Fife Women's Aid**. So now you can support charity and get a good deal.
