October 2025 Issue 42

Feeling the breeze?

We have had a lot this month, from cold and foggy mornings to rain and even storms. It's been a month of preparations for us as we get into the servicing season and start preparing equipment for winter maintenance.

Scottish Ploughing Championships.

This month, our team were at the Scottish Ploughing Championships exhibiting our range of utility vehicles and ATVs. They had a great time discussing the machinery & seeing all of the new and vintage tractors in action!

Scottish Agriculture Awards 2025

Our Workshop supervisor, Mark, & Sales Area Manager Sandy had a great time attending the Scottish Agriculture Awards 2025, where we were finalists for Machinery dealer of the year!
