

GAMMIES MONTHLY

STATION YARD, CARSEVIEW ROAD, FORFAR DD8 3BT

April 2026 Issue 48

Mowing, demos and more mowing!

The season is in full gear! Despite the occasional cold and rainy day, the weather has improved, and the grass is growing quickly. Our team have been busy delivering new machines, performing demonstrations and installing robotics for the season.

Thinking of arranging a demo?

Sometimes you just need to try it for yourself. We provide demonstrations on a range of our equipment, from UTVs to our robotics.

Machinery is a large investment; we understand this, and a demonstration allows you to know exactly what you are purchasing and how it works.

It can help you find the right model. With different features across machines, a demonstration can let you test the machine in your application, with your everyday tasks and ensure you choose the right model.

So if you have your eye on a machine and want to see it in action, get in touch.

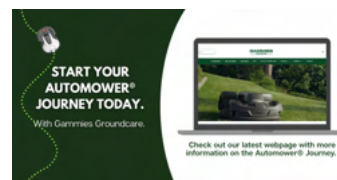

STIHL Machinery Demos

This month, our team attended a STIHL training day, which included putting a range of STIHL machines to the test. It was a great chance to get a feel of the new machines and learn more about their features.

Start your Automower® Journey Today.

Our latest edition to our website just launched! Our Automower® webpage takes you through the journey of getting a robotic mower from enquiry to after-sales. [View the new webpage here.](#)

Polaris RANGER 500 Launch

The New Polaris RANGER 500 is on its way, and we are hosting a launch day at our depot where you can come along and see the machine up close and personal. Keep an eye on our social channels for more details coming soon!

Mowers and ATVs, a lot of machinery has been going out for the lambing as well as to keep the grass maintained for the year ahead.
