JOANNA'S

Since 1978

In celebration of 40 years of business, we present a menu of vintage specials, revisiting some of the classic dishes that became the building blocks of our heritage.

We believe that it is our willingness to adapt and evolve that has enabled Joanna's to continue to thrive after four decades.

Of course, many things have changed since 1978, but the atmosphere, warmth and hospitality at the heart of the restaurant remain.

Frequently, we hear from guests, "it's great to be back, nothing's changed," and we think that sense of familiarity sums up Joanna's perfectly.

With huge thanks to everyone who has supported us over the years, we shall continue to evolve and will remain at the heart of the Crystal Palace dining community.
