Esk Floor Plan

Arrive and relax, lock and leave

The benefits of holiday lodge living are obvious as soon as you see our chosen sites. Set in beautifully landscaped grounds in stunning locations, there's no maintenance for you to worry about, or gardens to look after. Kitchens are fully equipped with high specification, integrated appliances and all lodges are double glazed and have central heating. So you can arrive and relax right away, then when it's time to go, just lock and leave.

Contemporary design, harmonious living

There's nothing ordinary about the luxury holiday lodges we have carefully selected for you. Choose from split-level rooflines, patio doors, open-plan living spaces with vaulted ceilings, walk-in wardrobes, and wetroom en-suites. Colour schemes are relaxed and harmonious to allow you to relax in style and comfort. Each holiday lodge type has been specially selected for its unique characteristics, to ensure you find a home to suit your style and taste.
