## Where to report to on arrival

### Full-time students

Students should normally report to reception upon arrival, which you will find on the lower ground floor next to the Loch Street entrance. The receptionist will be able to point you in the right direction, but please be sure to arrive in plenty of time.

### Part-time students

#### Students on part-time day classes

If you are attending a part-time day course at Aberdeen City Campus, you should report to the main reception desk on the lower ground floor next to the Loch Street entrance. The Receptionist will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

#### Students on part-time evening classes

If you are attending a part-time evening course at Aberdeen City Campus, you should report to Library+ which is located on the ground floor of the building. The member of staff at the desk will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

## Parking

### Full-time students

The Aberdeen City Campus is extremely accessible via local or national transport links. It is within walking distance of many bus stops, and only a short distance from Aberdeen Train Station and Bus Station. Please note that the Aberdeen City Campus does not have parking facilities available for full-time students.

### Part-time students

There is student parking available to part-time students attending evening classes at Aberdeen City Campus, from 5:15pm onwards. At the first meeting of the class, your class tutor will issue you with a parking permit which must be displayed on your vehicle when you attend College. The permit will allow you to park at the college on the evening of your class only. Please note parking is available on a first-come, first-served basis.

## Where to eat

Aberdeen City Campus has a range of places you can purchase a hot or cold meal, snack or drink. There is also a handy student shop which sells confectionery, newspapers and drinks and a large comfortable seated area next to Dino's Café.

For more information as well as opening hours, see our website:

## What to bring to the first class

If you do need to bring any equipment or materials to your first class, you will receive instructions before the class starts. However, in most cases, you will be told by your tutor on the first class what to bring with you. You can also check on our website if anything is required by checking the course descriptor for your chosen course.
