## Where to report to on arrival

### Full-time students

Students should report to reception upon arrival, which you will find in M Block. The receptionist will be able to point you in the right direction, but please be sure to arrive in plenty of time.

### Part-time students

#### Students on part-time day classes

If you are attending a part-time day course at Aberdeen Altens Campus, you should report to the main reception desk which is in M Block. The Receptionist will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

#### Students on part-time evening classes

If you are attending a part-time evening course at Aberdeen Altens Campus, you should report to the Security office in F Block. The member of staff on duty will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

## **Parking**

### **Full-time students**

The Altens Industrial Estate is well served by local transport links. Parking is available on site but it is limited, and operates on a 'first come, first served' basis. All students, if wishing to park, must display a parking hanger on their car when on site. Students can obtain a hanger from reception.

### **Part-time students**

There is student parking available to part-time students attending evening classes at Aberdeen Altens Campus. There is no parking available on-site for part-time students attending day classes.

## **Where to eat**

Aberdeen Altens Campus has a range of places you can purchase a hot or cold meal, snack or drink, as well as a spacious student common area where you can relax, play pool and use the vending machines.

For more information as well as opening hours, see our website:

## **What to bring to the first class**

If you do need to bring any equipment or materials to your first class, you will receive instructions before the class starts. However, in most cases, you will be told by your tutor on the first class what to bring with you. You can also check on our website if anything is required by checking the course descriptor for your chosen course.
