Where to report to on arrival

Full-time students

Students should report to reception upon arrival. The receptionist will be able to point you in the right direction, but please be sure to arrive in plenty of time.

Part-time students

If you are attending a part-time course at Inverurie Learning Centre, you should report to the Reception area on arrival. The member of staff will direct you to the classroom from there. You should aim to arrive about 10-15 minutes before the class is due to start.

Parking

The Learning Centre is well served by local public transport links, and is only 15 miles from Aberdeen. It is easy to access for those based in Aberdeenshire or Aberdeen City Centre. Car parking is available in the evening only, on a first come, first served basis. Unfortunately, parking is not available in the nearby Academy car park during the day.

Where to eat

There are no catering facilities on-site. There is a drinks machine and cold water machine which students can use. As the Learning Centre is located in the centre of the town, there are a number of eateries nearby.

What to bring to the first class

If you do need to bring any equipment or materials to your first class, you will receive instructions before the class starts. However, in most cases, you will be told by your tutor on the first class what to bring with you. You can also check on our website if anything is required by checking the course descriptor for your chosen course.
