## Funding

Students applying for HND Legal Services must also apply for funding through SAAS for the course fee (and optionally, for a student loan). The applications can be made on SAAS website from open early April: [www.saas.gov.uk](http://www.saas.gov.uk)

## Our lecturing team

### LEANNE CRUICKSHANK

After completing the BA (Hons) Accounting & Finance degree at RGU, Leanne went on to gain audit and accounting service experience within practice and then moved to gain further IFRS experience within industry.

In 2017, Leanne joined the Accountancy team at NESCol bringing with her a wealth of knowledge in International Accounting Standards as well as taxation.

### AVRIL GERRARD

After gaining an HND in Accounting, Avril went on to complete the BA (Hons) Accounting & Finance at RGU. She then trained at a reputable Chartered Accountancy firm before moving onto industry. Avril has over 20 years' experience working as an Accountant, Group Accountant and Finance Manager. In 2016, Avril brought her knowledge and expertise of these areas to accountancy lecturing team at NESCol.

### ANGELA HERBERTSON

Angela completed her HND Accounting before progressing into industry. Whilst working she gained a degree in BA Accounts & Finance at RGU.

Angela continued to work in finance whilst also completing a BA (Hons) in Business & Management and ACCA qualifications. Angela has been working at NESCol since 2018.

### SANDRA MASSON

Following completion of her degree, Sandra went on to gain industry experience in the Oil & Gas sector. She worked initially at Shell UK joining their management training scheme and then at Aberdeen Service Company (ASCO) for 10 years.

She has worked in both Financial Accounting and Management Accounting and during this time Sandra completed her CIMA professional exams. Sandra brought her knowledge and experience to NESCol and has now worked here for more than 20 years. Sandra teaches at both our City and Fraserburgh Campuses.

### ALEC PARRY

Following completion of his HND Accounting qualification, Alec went on to gain his Bachelor of Arts in Professional Development at Aberdeen University. Alec gained industry experience in management accounting with Weatherford UK before moving into teaching. He has worked as a lecturer at NESCol's Fraserburgh Campus for over 15 years.
