

NORTH EAST
SCOTLAND
COLLEGE

VenueHire

The Basement Theatre at North East Scotland College's Aberdeen City Campus can seat 110 guests (98 when the front of house mixing position is used). The seating is retractable to provide an alternative layout if required.

The theatre has four DMX connected lighting bars which are loaded with various LED lights. Two DMX controlled dimmer packs are also available if required.

The theatre is fitted with an EPSON EB-PU1008B ultra-short-throw projector displaying on an 8m x 3.5m Cyclorama.

Lighting stock includes:

- 10 x Chauvet Ovation 415 FC
- 6 x Chauvet Ovation E-910
- 6 x Chauvet Colorado
- 4 x BriteQ Power Pixel8-RGB
- 2 x Chauvet Q-Spot 360
- 2 x Chauvet Rogue r3x

The theatre is kitted out to be a 7.1 surround sound system for movie showing but it has on occasion be used for in-the-round productions. There is also a front of house sound system that includes two Electro-Voice ZLX-12P 12' and two Electro-Voice ZLX-12P 12' side stage monitors.

When the lighting is used in-house, we use Q-Lab which is loaded on a Mac Mini.

The performance space is 10m x 6m black Harlequin floor band.

Back stage areas include changing rooms complete with mirrors with lighting above as well as showers.
