

Renee's Story

I'm a mum with a large family. I now live in Scotland with my 5 younger kids.

We came from a Caribbean nation that has problems with violence and unrest, to the UK.

My stepson was murdered there.

I arranged everything for his body to go to our region. After that, I found out I was being followed.

They said they would kill me and my kids.

That's the reason we came to the UK, for protection.
