

RockRose Energy Plc

Company – RockRose Energy

Title – Commercial/Legal Manager

Location – London, UK

Salary - £90k - £130k pa + benefits package

Role –

This is a hands-on role that is integral to the business. In this role you will be involved in a variety of matters requiring both legal and commercial knowledge. The role will cover a broad range of areas such as M&A as well as operational, regulatory and corporate matters relevant to the upstream and midstream oil and gas business in the UK and internationally.

Responsibilities –

- Providing in house legal advice and counsel on licences across the RockRose portfolio
- Direct involvement in the negotiation, drafting and administration of licence agreements and upstream and midstream contracts, including joint operating agreements, decommissioning security agreements, farm-in agreements, sale and purchase agreements and oil / gas sale agreements etc
- Interfacing with joint venture partners on commercial and legal discussions
- Providing support and advice on joint venture matters to the team and senior management
- Working with the team on M&A transactions from a legal and commercial perspective

Requirements –

- Qualified lawyer with at least 8 years' PQE and extensive upstream and midstream oil and gas experience both onshore and offshore in the UK and internationally (UK oil and gas in-house legal experience highly desirable)
- Onshore and offshore oil and gas commercial experience
- Commercial experience of working with multiple upstream operators and partners both onshore and offshore the UK and internationally
- Experience in M&A activity both from a commercial and legal perspective
- Analytical, drafting and negotiation skills
- Experience in contract law
- Strategically and be operationally rigorous
- Ability to simultaneously balance multiple tasks and work in various fields of law along with applying a commercial mind-set, a pragmatic approach and strong communication and interpersonal skills
