On the water activity will be a sports bubble, ashore the social gatherings may require to be outdoors. Numbers at some of these events may require to be restricted.

Racing will start at 1100 each day with a break ashore for lunch.

There is camper parking with a hook-up by the dinghy park (please book when you enter) and limited camping in the club garden (first come first served). There are also a range of accommodation options locally.

Snacks and lunches should be available at the beach clubhouse every day, early evening meals may be available at the club (subject to the prevailing guidelines).

Competitors are welcome to arrive earlier or extend their stay to cruise the estuary, travel Scotland or just chill out. Dundee provides a good visitor experience for those who enjoy cultural visits (RSS Discovery/The V&A Dundee/ The McManus Museum/ Bro'ty Castle/ the Transport Museum).

The leisure offer is excellent and most facilities have developed arrangements to remain open despite covid restrictions (The Olympia leisure centre/ the Ice Arena/ the Wildlife Centre/ The Botanic Gardens/ and Golf), Dundee also has a good choice of places to eat out. The city is well placed to provide a jumping off point for touring the area - St Andrews and the East Neuk of Fife/ The Angus Coast/ The Glens etc., or further afield.
