

In conjunction with the nominations that you have received please accept the following statement as an indication of my suitability for the position of President of Scottish Hockey.

I have over 40 years playing experience playing club hockey up to European level. I have also played International Masters Hockey.

I have coached teams from Junior to International level and twice been named Scottish Hockey Coach of the Year.

I have also Umpired up to International level and mentored a number of young umpires to the same level.

As an administrator I was Edinburgh Hockey Club President for 5 years and I have been a member of East District Committee for almost 30 years and the Youth President for 20 years. I was also instrumental in East's amalgamation of two separate youth organisations into one very efficient and highly successful unit.

My business background is in IT Sales and Marketing with most of my career spent in Channel Management which involved Sales, Marketing, Training and Logistics.

I have a wealth of knowledge and experience which covers every aspect of Scottish Hockey and I am confident that I will be able use that to help Scottish Hockey, Its Clubs and its Members to further enhance the excellent job that we already do.

If you require any other information please feel free to contact me.

Kind regards

**George Guy
President
East District Youth Hockey**
