### Conduct of Matches

- Matches will be 15 minutes each way with 5 minutes for half time.
- All competing teams must ensure they have two sets of numbered strips at this event.
- In the case of a colour clash, the FIRST named team will change shirts.
- 3 Points will be awarded for a win and 1 point for a draw.

### Ranking and Tie Break Rules

In each pool, teams will be ranked according to the number of points each has accumulated in the competition.

- If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
- If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means "goals for" less "goals against"). A positive goal difference always takes precedence over a negative one.
- If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of "goals for"
- Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
- If more than two teams have the same number of points, then the teams involved shall be ranked according to Articles a, b, c, & d above.
- If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.
- Should there still remain equality among two teams, then the ranking will be determined by a penalty shootout - 3 running penalties will be taken by each team.
