There were no conflicts of Interest

3. Update on 2020 – 2021 Season.

The Management Committee met to review the progress towards the start of the competitive season. They reached the following decisions;

That the regional conference structure would start the Weekend of the 17th of October.

There would be no promotion, relegation or European Places decided by the Conference system.

That the proposal involving buses to deliver Premiership would be reviewed when final costings were in, and that subject to Board sign-off and approval from the relevant clubs, this proposal could supersede the Regional Conferences.

The Management Committee felt that outstanding suspensions should be struck off for the small number of individuals who had carried them over from the previous year. The decision was approved by both the Management Committee and the Discipline Officer.

Umpires would not be appointed for the regional conferences and it would be the responsibility of each club to source an umpire.
