Review minutes from last meeting

MB asked the meeting to confirm accuracy of minutes.

Review Competition Structure

We continued the review of the Womens league structure, reviewing Gordon Blacks proposal and discussed the merits of the 5 suggestions we had. We narrowed it down to one preferred option:

- A Premiership of 12 Teams (1st teams only)
- A National League 1 of 12 Teams (1st teams only)
- A National League 2 of 12 Teams (1st teams only)
- A Reserve League of 12 Teams (2nd and 3rd Teams only)

We had a question for Scottish Hockey as to when three 1st teams dropped from the proposed National League 1, why the other 1st teams in Championship 1 weren't offered the opportunity to step up. JF said the staff were not asked to do that as that wasn't in the proposal from Management. MB took action to ask the President to push this forward as we as a group felt that the more 1st teams that were playing Premiership or National League in season 2020/21 the better.

MB took action to write up proposal so far and to post up into drop-box.

Group decided that next meeting would be Wednesday 26th August at 6.30pm.
