U18 NATIONAL CLUB CUP FINALS

# U18 NATIONAL

## Club Cup Finals

On behalf of Scottish Hockey, I would like to welcome everyone to the U18 National Club Cup Finals 2021.

This is a great opportunity for young players to experience the thrill of playing in a cup final after the disappointment of missing out on youth competitions last season. 400 hockey players from 23 clubs have participated in this season's National Club Cups and there have been some closely-fought matches.

All the finalists have earned their places and we invite you to enjoy the spectacle of young athletes playing their hearts out for their teams.

I would like to extend my thanks to our officials, umpires, volunteers and coaches, as well as to the Scottish Hockey team. Everyone has contributed their part to reach this evening's finals.

My best wishes to all involved.

Barry Cawte, CEO, Scottish Hockey
