

## NEW DIAGNOSIS FORM

TCCL is a local charity which supports children with cancer and their families who live in Tayside and NE Fife. One of the ways we do this is to give families a grant at the time of diagnosis as there are often lots of extra expenses. This grant is for everyone, is not means tested and can be claimed either by asking your Paediatric Oncology Nurse or Social Worker to fill in the form below. Any information we ask you for is treated with strictest confidence. (see our Privacy Policy) You can also print off the form and give it to your paediatric oncology nurse or social worker who will send it to TCCL.

TCCL gives support in many ways and organises events for groups of children and families or events for individual families. We also have a Holiday House in St Andrews where families can book a week's holiday free of charge. See our website for more details [www.tccl.org.uk](http://www.tccl.org.uk)
