

Virtual Sleepover Schedule

To help you plan your weekend here's the key times when we aim to share the activities so you can be on-line and ready to join in. There's a number of activities to choose from for each theme and all of the information you'll need will be available for you to download at the times below:

Saturday 27th March 2021

- 11am - Chemistry - It's a reaction
- 1pm - Discovery
- 3pm - Crystals and molecules
- 5pm - All about me (and join our Panel Discussion)
- 7.30pm - Campfire and movie *

Sunday 28th March 2021

- 9am - Parasites
- 11am - Remedies
- 1pm - Robots
- 2pm - Round-up and sign off!

* We've thought long and hard about a movie we could suggest you all watch that suits the theme of our event. We were hoping to find something about female scientists that was suitable for all our age ranges. We were disappointed to discover that movie just hasn't been made yet! So instead we've got some options to give you ideas of what your viewing could be for the evening to round off the day.

We're not recommending or promoting any providers but they're all available to rent from various on-line services and from Amazon/Prime

- Over the Moon (2020) - U 1hr 40m (also on Netflix)
- Big Hero 6 (2014) - PG 1hr 48m (also on Disney +)
- Dora and the Lost City of Gold (2019) - PG 1hr 42m (also on Sky Family on Friday 26th @8.55am and 6pm)
- Hidden Figures - PG 2hr 6m
- Ghostbusters 2016 - 12 1hr 57m
