THE SPIRIT OF ST ANDREWS

WHO WE ARE

Scotland's Most Exciting New Distillery.

Founded in 2012, Eden Mill revived the lost art of distilling in St Andrews. Our multi-award-winning portfolio of gins and Scotch whiskies have put the town back on the map as a world-class distilling destination.

In October 2025, we opened the doors to our stunning new distillery and visitor centre, perched on the banks of the River Eden overlooking St Andrews. Whether you're looking for an unforgettable team away day, a client reception, or a full corporate event, we offer world-class experiences like no other.
